

WORLD DIRECTORY OF LEISURE AVIATION 2008-2009

This publication consists largely of information supplied by traders and manufacturers. World Directory does not take any responsibility for the data, facts, wording, addresses, prices and spelling of the items published and does not claim the market survey to be complete. The publishers have made every effort to ensure its accuracy and completeness, and have queried many facts during its compilation, but they cannot be held responsible for errors or omissions, or for any problems arising from them, or for the use to which the information is put.
